WINNERS' GALA

YOUR INNOVATION! YOUR AWARD!

The German packaging industry's premium award recognises those groundbreaking packaging, designs, packaging materials, logistics solutions, displays and machine concepts that are truly worthy of distinction.

All the winning innovations awarded by the jury receive a trophy and certificate at the "winner's gala" and may use their winner's seal in all of their promotional material. The jury also has the opportunity to honour the best of the best in this competition with the coveted Gold Award.
